NOTICE ON COVID-19 RESPONSE

Following the recent global COVID-19 outbreak, the Africa Digital Media Group has taken a number of steps to support our students, teachers and staff.

In this regard:

- Staff and faculty are encouraged to work from home
- Staff performing essential services are to practice strict hygiene and social distancing
- Students will complete their requirements virtually and should monitor school updates

Although face-to-face learning activities were suspended Friday, March 20th as per government directives, our academic calendar remains as before. All community members should closely monitor school updates.
